

# DAN LORNITIS

## CONTRACT RIDER

---

Thank you for bringing me to your upcoming event! A stage hypnosis show can be perhaps the most entertaining show a company or campus will witness. Your audience will probably laugh and talk about what they saw for weeks following the show. I'm honored to be the performer you've selected to make this a possibility.

The following rider is critical to the success of the show. It's *VERY IMPORTANT* to me that you read every point. There are more fun details in the rider—all designed to make the show as successful as possible.

I'm looking forward to performing for you. See you soon!

Purchaser shall provide, at purchaser's expense, the following:

1. Stage: Stage size minimum requirement: 26' X 12' STABLE RISER. If stage is over 12" high, provide stairs that lead directly into the audience from the front of the stage. The performance area must be clear of obstructions such as podiums, cables, speakers, band or DJ equipment.
2. No less than fifteen (15) armless chairs available to Artist with adequate space on stage to accommodate them. The armless chairs are to be arranged on stage side by side, facing the audience, with enough room to move in front of and behind.
3. Front row of chairs in the audience should be no less than 8 feet from the stage.
4. **SOUND SYSTEM:** Quality system in perfect working condition, suitable for both speaking and music, including the following:
  - a) Two speakers placed at each side of stage.
  - b) Two speaker monitors which face the volunteers are a must. Volunteers must hear the hypnotist.
  - c) One hand held microphone with a stand making sure cord is long enough to reach all the chairs.

**IMPORTANT:** In-house PA systems with speakers in the ceiling usually cannot handle the music and sound requirements for this show. If you have any concerns, please contact your agent or Dan Lornitis to make other arrangements.
5. A sound technician/DJ must be made available one hour prior and during the show to assist in running music cues.
6. **LIGHTING:** Both a well lit stage and adjustable "house lights" are required. For a more theatrical look, use lights on tripods (easily rented). This will create a much better "nightclub" atmosphere and make for a better show.
7. **ACCESS:** A minimum of 60 minutes for set up prior to the audience arriving.
8. **BILLING:** Dan Lornitis, Comedy Hypnotist.
9. The Show time is between 60-90 minutes depending on circumstances. The audience should ideally be comprised of 100 English-speaking adults. An average of 8-12 willing volunteers will be needed from the audience.

10. **HOTEL:** If the Purchaser is to provide the hotel room, we ask for the following:
- a) Hotel Room must be reserved at one of the following acceptable, national hotel chains: Hilton, Marriott and Marriott affiliated hotels, Hyatt, Double Tree, Embassy Suites, Crowne Plaza, Hampton Inn, Radisson, Sheraton, Westin, Wyndham, Holiday Inn and Holiday Inn Express ONLY. If one of these national chains is not available in your community, please note that the artist requests a hotel buyout equal to the amount you would normally pay for a hotel to be added to the Artist Payment. Please contact your Agent at The College Agency immediately if you do not have the ability to house the artist at one of the above listed hotels.
  - b) Hotel room door must not open to the outside, but rather the inside hallway or lobby of the hotel.
  - c) Hotel room must be reserved at a hotel that is located in an area of the town/city where someone can safely walk to nearby restaurants, stores, etc.
  - d) Hotel must have high-speed Internet access.
